Love Your Work – Engage Your Team Presented by Laurel Gaard

What if we could make our work more energizing and satisfying? What if we could help our teams take more pride in the work and engage more deeply in the mission?

Come to the North Central Chapter Winter Conference to discover What Motivates Me. This is not just another personality inventory. The Motivators Assessment helps you learn more about what drives you at a detailed level – how to align your job responsibilities with your personal motivators, resulting in greater productivity and happiness at work and enhanced teamwork.

Find more fun and fulfillment in your work. Help teammates find more passion and meaning in their jobs. Learn ways to create a culture of gratitude and appreciation for each other. Get excited about your job again!

Conference goals:

- Discover your personal motivators
- Understand how motivators work together
- Learn to sculpt your job for better fit
- Get tools to help develop and retain employees
- Share ideas and tips with other attendees
- Leave renewed and refreshed
